

Collection

Class	Labench Worktop	Chemresist Laminate	Compact Laminate				
Production	Electron Beam Cured worktop surface; Strongly resistance to aggressive chemicals and cleaning agents; Anti-bacterial and restrain bacteria growth;	UV Light Cured worktop surface; Strongly resistance to hundreds of chemicals; Anti-bacterial and restrain bacteria growth;	High Pressure Laminate worktop surface; Resistant to not strong chemicals; Wear and impact resistant				
Composition							
Test	24hrs by SEFA 3 test method	24hrs by SEFA 3 test method					
Application	chemical, physical and analytical laboratories. worktop, epidemic prevention and control	wall paneling, lining of fume hoods and splash backs ect. worktop or vertical lining	educational, laboratory and institutional applications where chemical resistant is not so important. worktop or cabinet				
Feature	 Impact resistant  Wear resistant  Scratch resistant  Fire resistance  Moisture resistant	 Food safe  Nonconductive  Easy to clean  easy to install  Easy to maintain  Easy to machine					
Color Availability	<ul style="list-style-type: none"> 1949 Titan White 1927 Light Grey 1909 Black 	<ul style="list-style-type: none"> 1949 Titan White 1927 Light Grey 1909 Black 1851 Spectrum Blue 1449 Lapis #4116 Star Stone 	<ul style="list-style-type: none"> 1448 Yellow 1449 Lapis 1909 Black 1795 Orange 1845 Spectrum 1927 Light Grey 1851 Spectrum Blue 1949 Titan White #4116 Star Stone 1884 China Blue 1433 Pea Green more... 				
Size Availability	1525 x 3660 60" x 144" 1525 x 3050 60" x 120"	1525 x 3660 60" x 144" 1220 x 3660 48" x 144" 1525 x 3050 60" x 120" 1220 x 3050 48" x 120" 1830 x 3660 72" x 144"* 1220 x 2440 48" x 96" 1830 x 4270 72" x 168"*	1525 x 3660 60" x 144" 1220 x 3660 48" x 144" 1525 x 3050 60" x 120" 1220 x 3050 48" x 120" 1830 x 3660 72" x 144"* 1220 x 2440 48" x 96" 1830 x 4270 72" x 168"*				
Thickness Availability	6.0 1/4	12.7 1/2	16.0 0.63	18.0 0.71	19.0 3/4	20.0 0.79	25.0 1

*These two MEGA sizes are available only in Standard Chemtop Laminate.
